

BIOEASTsUP Project is organising online webinar series “Advancing Sustainable Circular Bioeconomy in Central and Eastern European Countries”, where an overview of the BIOEAST initiative and its supporting project BIOEASTsUP will be presented.

Join the webinars to get a comprehensive review on how the BIOEASTsUP project helps the BIOEAST countries in developing national bioeconomy strategies & action plans, building a strategic research and innovation agenda (SRIA) for evidence-based policy making! Learn how you can engage in the various national stakeholder bodies established in the project and contribute to the bioeconomy transition in CEE! Benefit from the knowledge transfer and exchange of good practices in the bioeconomy. Be part of the BIOEASTsUP community and help to achieve the ambitious goals of the BIOEAST initiative!
